## Comment text:

Please find below Deanshanger Parish Council's response to the draft Political map for West Northamptonshire

Deanshanger Parish Council accepts the proposals of the Local Government Boundary Commission for Deanshanger ward. We are surprised, however at the new, proposed name for the ward as Deanshanger & Paulerspury instead of Deanshanger. Paulerspury is not even the second largest village in the ward and so it does not seem appropriate to make this change. We suggest that the newly drawn ward retains the current name of Deanshanger.
