**Related subject:** Roade Parish - West Northamptonshire - proposed boundary with Hackleton

Roade Parish Council have concerns that the proposed boundary puts Roade within a boundary with lots of activity within it, such as motorway, developments etc, meaning this will be a lot more work for the two councillors.

Concerns were raised over the support that we will receive from current councillors, we have three councillors, however one refuses to come to the village. what if the same happens with new councillors? Is there are a service level agreement as to what we should expect from our elected ward councillors?
