

West Northamptonshire

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Gayton - currently Bugbrooke ward but proposed ward of Towcester.

The information given does not clearly explain the benefits, downsides or compelling motivation for this proposal therefore I cannot say I agree to it being a pressing or worthwhile venture.

Surely it's going to cost time and precious resources, which frankly, the council could use better elsewhere. Wasn't the point of rebranding and changing Northants into two authorities meant to make this simpler already?
