It's a disgrace, services have been cut, we now have to pay for rat poison, there are rats running amok in Saltwell park. Our leisure centres are under threat, weeding has been cut to the bare minimum. Drains aren't cleaned, nor are pot holes mended. Gritting on my estate is at best poor. So if we cut the councillors down to 40. That should surely save money? Public money is spent on totally unnecessary services. Deck chairs and fake grass! Stupid statues! We need youth clubs and libraries and leisure centres. The current council put bollards outside low fell shops during lockdown, painted yellow lines and killed the local trade. They even closed the flyover! Shambles!
