## Personal Details:

**Name:** [REDACTED]  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Low Fell

Gateshead is beginning to look and feel like a third world country. Reducing the number of councillors would reduce the amount of money being spent on councillors' expenses etc. We need more money for local services, such as street cleaning, environmental care, leisure facilities and youth services. Lowering councillors expenses would release money for other purposes.
