

Gateshead

Personal Details:

Name: [REDACTED]
Email: [REDACTED]
Postcode: [REDACTED]
Organisation Name: (Member of the public)

Comment text:

Related subject: Number of councillors

Gateshead has drastically reduced both its number of employees as well as the level of service it offers to residents. However the number of councillors has not significantly reduced as is now a much greater number than the national average.

The council should reduce its number of councillors to at least the national ave and use that saving in providing public service.
