## Personal Details:

Name: [REDACTED]

Email: [REDACTED]

Postcode: [REDACTED]

Organisation Name: Glos Sci Tech Park/SGS college (Representative of a local organisation )

## Comment text:

**Related subject:** Division Wotton Under Edge/ Cam Valley

It is an historic oddity that the activity at the Former Berkeley Power Station and now GSTP are within Wotton Under Edge, when the impacts and benefits of the site directly relate most directly to Berkeley town which is in the Cam Valley division. Should this boundary (currently for historic reasons the Berkeley Pill) be moved to the South so that the site and town are both in Cam Valley?
