Dear Sir or Madam,

I am writing to you on behalf of Seaton Sluice and Old Hartley Residents' Association to protest against the proposed boundary change involving splitting New Hartley and putting part of it with Blyth Newsham.

Seaton Valley Community Council has been in existence for over 15 years. During this period the 5 villages of Holywell, Seaton Delaval, Seghill, New Hartley and Seaton Sluice have become a cohesive community.

The villages have:-

- 1) the same historical interests
- 2) easily identifiable boundaries
- 3) 5 strong community centres which meet every quarter to discuss problems and achievements in our villages.
- 4) a thriving In Bloom Group which meets every quarter and enters Northumbria In Bloom.

New Hartley and Seaton Sluice share the same Church Diocese and the same schools.

Seaton Sluice and Old Hartley Residents' Association objects strongly to the Boundary Commission's proposal of splitting New Hartley – a cohesive village into two, putting part of the village in with Blyth Newsham – an area with which they have no transport, historical nor community links or interests.

If this idea is implemented a strong Electoral Ward will be destroyed and the Parish Council will be unable to deliver effective services.

Yours faithfully,

Liz Vuyk (Chairperson of Seaton Sluice and Old Hartley Residents' Association)
