Comment text:

Related subject: Cramlington Village/Barns Park.

I note, with some concern, that you are proposing that Barns Park (Richmond Way,) which has hitherto been for decades in the Village Ward, is to transfer to Cramlington East. This is a less than a satisfactory proposal as Richmond Way is separated from Cramlington East by a 4 lane Highway which, like the East Coast Main Line railway, is a natural boundary between the two wards. There is also the loyalty factor which counts for a great deal in Local Government and, therefore, it is my submission that Barns Park remains, unchanged, as part of Village Ward.
