Organisation Name: Kevin Ramshaw (Member of the public)

## Comment text:

**Related subject:** Widdrington Station

I am wondering what madness lies behind splitting the village of Widdrington Station into 2 separate parish wards?

It may be split by a railway but it is a whole village with a good community spirit and a first rate Councillor, Scott Dickenson ,who it looks like we will lose with boundary changes.

A village needs to be maintained as 1.
