I strongly believe that Brinkburn parish should join the Rothbury division, not Longframlington. I have lived in this area my whole life and all the local services I use are in Rothbury. My children attend school there; my doctor is there; I use all the amenities there - like the shops and post office. It is very much where our community looks to, and not Longframlington. Anyone who lives here would agree.

It is important that our local government representation works together and we elect a Unitary Councillor for the Rothbury division.

I hope the commission will reconsider this proposal to reflect the lives of the people who live here.
