Comment text:

Related subject: Rothbury

I live in Elsdon and your proposal is to move the parish from Rothbury to the Bellingham division. I support this proposal. Historically and geographically Elsdon belongs in Redesdale. Indeed, St Cuthbert's church is known as the Cathedral of the Rede was the mother church of Redesdale. On a day to day basis, I more frequently shop in Bellingham rather than Rothbury. It seems logical to me to return Elsdon to its natural associations.
