Related subject: Hepscott Southfields estate

I agree that Southfields should move to Stobhill in Morpeth, the area is already Stobhillgate. It is an area on the edge of the town, with little in common with the hamlet of Hepscott which is only accessed via lanes through fields. Access to Morpeth is on the A192 which edges the estate. Southfields is described as Morpeth so needs a ward in the town not separate from it.
