## Comment text:

**Related subject:** Barns Park/Village Ward, Cramlington.

Having been a resident of Cramlington for the last 40 years I ask what idiot has thought up the idea of moving Barns Park/Richmond Way across a 4 lane highway to a ward with which we have no natural connection. There is no logic to this at all as it makes Barns Park into an island. The natural boundary is the dual carriageway (Dudley Lane) and this proposal serves no useful purpose at all. Please leave us in Village Ward. I object most strongly to this proposal and hope that my voice will be heard and acted upon.
