Westoe ward was originally a number of small hamlets that have become part of South Shields town. It is an affluent area of the town. It houses the Marine Cementry which will be part of this ward. There is a college in the town previously. There is a college in the town which is now houses the Marine School which is now we have moved the south side of Marine Avenue into this ward from adjacent ward. We live in the same avenue and have in the same area and social activities as one of the other wards.

To whom it may concern, after much thought to ensure wards and communities are kept together where ever possible please see attached. I have used 6678 as the % - There is a number of new builds that will affect the Hebburn area in there next couple of years, so i have kept numbers close to 10% difference as possible to allow for the increase
