Related subject: Boundary Consultations

Currently living in Langdale Way, East Boldon. [REDACTED]. We very much belong to the village of East Boldon, as we attend schools there, visit parks there, eat/drink in local pubs/restaurants there and mix socially with other local villagers. However, we don't belong to the electoral roll in the Cleadon and East Boldon ward. Surely, this should be considered during the current consultation on boundaries with the borough. Thanks
