I think the people of Marsden would prefer to be part of the Cleadon Park Ward. Transferring Marsden in to the Cleadon Park Ward makes sense since they both have South Shields postal addresses and the Prince Edward Road makes for a natural boundary.

Whitburn currently has a boundary with Cleadon and East Boldon, both wards border Sunderland City Council. It would make sense for Whitburn and Cleadon to be together as a ward and for East Boldon to be transferred to the rest of Boldon.

The journey time from Whitburn Village to Cleadon Village is less than the journey time from Whitburn to Prince Edward Road at the Marsden end of the current Whitburn and Marsden ward.

Please consider this idea as part of your review.
