Dear LGBCE,
I would like to support the proposed Benton & Forest Hall ward within your suggested boundries for North Tyneside.
I believe that the Benton & Forest Hall shares ["Shared sense of community", "Shared local groups", "Shared issues around Anti-social behaviour", "Shared amenities like schools, shops etc"]
I do not see the point of joining part of Benton and Longbenton - they are presently sitting in two different council areas - Newcastle and North Tyneside. Where will the new ward sit? What will the disruption achieve? Will the service we get improve/change?
Many thanks
