Related subject: West Moor

I prefer Map A, the LGBC Proposal.

This proposal incorporates the new housing development in the Whitehouse Drive area and maintains the link between West moor and a portion of Longbenton.

I feel more aligned to this than being incorporated in the electoral ward with Camperdown, Burradon and Dudley.

With reference to Map A , the new housing development along Northumbrian Way should be included in this area as it is considered part of West Moor
