Comment text:

Related subject: Tatsfield

I disagree with your proposal to merge Tatsfield with Limpsfield.

You say one of your aims – Community identity – is to reflect the identity and interests of local communities. That can only happen if the representative is known personally to their constituents & lives locally. This is much less likely to happen if the two villages are merged.

Again, Effective and convenient local government can only be implemented if the representative is known & lives locally.

I vote against your proposal
