Having read the proposals I do not feel the road I live in (Burntwood Close) and those such as Stafford Road and Croydon Road should be moved into the Queens Park Ward (Caterham Hill). People who live here do not feel part of the Hill and with the local 407 bus route and Croydon to Caterham train service taking us directly into the Valley for shops and services (dentist, vet etc) we feel more connected to this area. There is no public transport up the hill from here, so only accessible by car or on foot which takes 30 minutes, which makes it difficult for the elderly or those with small children to access, as Burntwood Lane is very steep. Therefore when we are voting for Councillors, we want to choose ones that talk about the services we are using and will champion particular causes relevant to us. We only voted recently in the Caterham Valley local elections and are very happy with those elected within this ward.
