Tandridge Boundary Review

I would like to support the Tatsfield Parish Council view that we should remain a one member ward. We are isolated from the nearest villages by fields and are unique in our requirements.

If we are joined to Kempston and Otford with two councillors - the two from Otford can overrule any decisions as we only have one councillor. Obviously they would look to their own interests first. We have a population of about 1800 and Tandridge about 11,000.

We do not have a bus to Otford even though they have our rates. They have a main line railway station and many shops. We have one general store and a charity shop.

Please can you leave it as it is, and we can be like Woldingham, and not taken over by a larger ward with different priorities. Yours faithfully. ■ ■ ■
