Related subject: North of Tandridge, particularly Valley ward.

It appears that your draft proposal may lead to under-representation in the Tandridge wards north of the M25, especially Valley which appears to be 11% bigger than previously. You suggest amalgamating the current wards of Harestone (mine) with Caterham Valley both of which have 2 district councillors each. The draft proposal will reduce this to just 3 so decreasing our representation. Nearly all wards south of of the M25 would be smaller in population than those in the North. It feels like the residents North of the M25 will have less of a voice in decision making, particularly on planning, than residents in the South.
