I currently live in Stafford Road. Stafford Road is geographically in Caterham Valley. As such I am interested in the local issues facing Caterham Valley. I do not ever visit Caterham on the Hill as it is a significant walk up a very steep hill, and takes 30 minutes to reach there. By contrast it takes 10 minutes to walk to the valley. As such I use the shops, restaurants, roads, parking, pavements, lighting etc and all other amenities in Caterham VALLEY and not Caterham HILL. I have absolutely no interest whatsoever in matters impacting Caterham on the Hill but have a lot of interest in matters impacting Caterham Valley.

I find it incomprehensible why the boundary commission should seek to lump me in with Caterham on the Hill. If it is simply to even up the number of residents in the commission then frankly, they may just as well put me in the Grimsby central ward.

Conversely, I am absolutely certain geographical residents of Caterham on the Hill have no interest whatsoever in the issues facing those of us in Stafford Road.

Please keep Stafford Road in the Caterham Valley ward to reflect its geographical position. The proposed change is beyond bonkers.
