**Related subject:** Stafford Road ward change

We live in Stafford Road, we live in the valley. We are at the bottom of the hill in the valley. We do not live in Caterham on the hill as we are in the valley. It makes no sense to put Stafford Road or it's off roads in the same ward as areas on the hill as we always refer to valley to details and notifications, because that's where we live.

Please do not change the ward boundaries. Surely there is better use of your time and money than petty nonsense like this, just leave us as we are please.
