I disagree with the proposal to move the boundary of Stafford rd into Caterham on the hill. I currently live in Stafford Rd caterham. I use all the facilities in the valley, the shops, restaurants etc , almost on a daily basis. I do not use the facilities in Caterham on the hill as it is not "local". Have you ever tried walking up and down waller lane with shopping? Therefore i have a vested interest in my local area and wish to continue to have a say of what happens and continue with the current representation from our excellent local councillor. I do not believe that the hill will have any interest in what happens in Stafford RD and any changes made on the the hill with not benefit or help me as a local resident. . Finally - no councillor in the Queens Park/Caterham Hill ward will give a hoot about Stafford Road.

I live in Caterham Valley not Caterham on the Hill, this is my address therefore the boundary should reflect this.
