Dear Sir or Madam

I write in relation to a proposed boundary change for the street/area that I have lived in for over 50 years.

It is apparent that the proposals were made without a physical visit to the area. Godstone Road, Downsway, Maple Road/Close and WHYTELEAFE Recreation Ground are part of Whyteleafe. Geographically there is a steep scarp slope and a large area of dense woodland that divides these streets from Warlingham. This makes it totally disjointed from the rest of the proposed ward of Warlingham. The areas are very different and will not be represented well locally.

These streets of Whyteleafe should not be divided from the rest as they are physically and culturally connected, with no connection to Warlingham. These are not 2 villages right next to each other. Whyteleafe is Whyteleafe.

Please keep Whyteleafe as one whole village, to be represented as such for the benefit of the residents.

Yours faithfully
