I don't agree with the boundaries being moved to put the Valley as part of Caterham on the Hill! I chose to live in the Valley and have lived in the Valley for 54 years! Too much is changing and not for the better, I think our council representatives have done everything they can over the years and this scheme is going to put voters off! Decisions that suit the Valley but not on the Hill and vice Versa will be conflicting! I would rather we still have a separate ward to Caterham hill and contribute to decisions that include the Valley and suits all residents of Caterham Valley.
