Dear Review Officer,

I am writing to express my view on the proposed ward boundary shift, which would put my street (Stafford Road in Caterham Valley) within the new Queens Park ward.

I feel a part of the Caterham Valley community, and I feel that my street naturally belongs in the Caterham Valley area. I think incorporating my street into a new ward - one mainly containing the Caterham on the Hill addresses - would be artificial and wrong.

I hope my views will be taken into consideration during the decision making process.

Yours faithfully,
