I object strongly to the proposal to make us a three councillor ward. We are adequately and strongly represented today by local people who understand the semi rural nature of our ward. We have a smaller electoral base than Limpsfield and are unable to use services in their ward - for example the medical centre in Oxted because we have different post codes. We do not need this change and do not need to be under represented by people in Limpsfield who neither venture to Tatsfield nor understand how the village ticks - our local councillor, Martin Allen does as did Bob David : a situation that has existed effectively for many many years. This is political meddling for the betterment of just a few. It's unacceptable.
