Related subject: Brambleside/All Saints Split proposals

I do not think that the Brambleside and All Saints ward should be split.
The All Saints area is a very different from the town centre with a very different demographic and set of issues.

The Brambleside and all saints areas is a well established community. A community that over the past few years has gone from strength to strength. Remaining a single ward means that we can continue to be represented by one (or even two!) people that understand the area that I live in.
