I strongly disagree with the boundary changes to the Cloverhill ward. I believe we have a strong sense of community. We have shared amenities e.g. schools, Rockingham Road Pleasure Park, Brambleside Park. Becoming part of a new Kettering Central ward would spoil this. I worry that emphasis would be shifted away from Brambleside and All Saints and on to the town centre, which would leave us isolated and without a voice. We have a fantastic team of proactive, visible councillors who work hard for our community; I don't think the same could be said of other wards.
