Comment text:

I have lived in Grindon for 27 years and always appreciated the lovely, well kept area and its surrounding boundaries in the Sandhill area with Hastings Hill, Thorney Close and Springwell. The extensive green grassed areas and parks all add to its attraction and unites all the boundaries.

It has good public transport links with the number 16, 18 and 23 buses.
There are poor public transport links to Pennywell, South Hylton and the other side of the Broadway.

The Chester Road and Broadway dual carriageway provides a very good and hard boundary between Pennywell and Grindon.

The Sandhill area benefits from sharing the Springwell Health Centre, Grindon Primary Care Centre and Sandhill View School.

Regards,
