**Related subject:** Councillor and Cabinet Member

Currently I live in the Stockton Parish, part of the Worfield and Rudge Electoral Division, which I am the elected member for. Your plans to combine this as Shifnal Rural, would involve having responsibility for 11 Parish Councils, and 1 town council across 2 parliamentary areas. I am an extremely active member but there is no way I would be able to give as much attention to that many PC's as I do now. Therefore I believe this would be to the detriment of the residents that I would attempt to represent.
