Sir/Madam, I am appalled at the proposal to move Pulverbatch into Bishop's Castle division. People in Pulverbatch look towards the north not the south, for primary school, shopping, entertainment, religious faith, leisure and sport. Secondary pupils also look to Pontesbury or Shrewsbury but not to Bishop's Castle. It would be very odd for residents to join with Bishop's Castle with which they have very little connection, traditionally and in the present. I strongly oppose this proposal.
