Consistent with its response to the previous stage of the Electoral Division Review, Ruyton XI Towns Parish Council is in favour of the BCE proposal to alter the Ruyton & Baschurch electoral division boundary so that the whole of Walford Heath will become part of Ruyton & Baschurch electoral division. The existing boundary cuts Walford Heath in half which makes no sense, so this proposal is sensible and will not negatively impact electoral equality. The Parish Council has no objections to the BCE proposal to further extend the boundary so that Old Woods becomes part of Ruyton & Baschurch division. Overall the Parish Council supports the draft proposals for Ruyton & Baschurch electoral division.
