**Postcode:** [REDACTED]

**Organisation Name:** Weston Rhyn Parish Council (Representative of parish/town council)

## Comment text:

Dear sir/madam,

Please accept the following comments on Boundary Change from Weston Rhyn Parish Council.

The suggestion to link Weston Rhyn with St Martins was not supported. The Council considers that the A5 represents a significant barrier and that we have a stronger community of interest with Selattyn and Hengoed. The village looks towards Oswestry with the principal road link and bus route to the town passing through Hengoed. There is no bus route from the centre of Weston Rhyn to the centre of St Martins.

Regards,
