ELECTORAL REVIEW OF SHROPSHIRE COUNCIL, New division boundaries

I draw your attention to the proposal to include the parish of Church Pulverbatch within the Chirbury and Worthen ward. This comprehensively fails to meet criteria 3 of the review:

- Deliver reviews informed by local needs, views and circumstances

I have lived in Pulverbatch for 12 years and there is no practical connection between the areas. There is a bus service to Shrewsbury, shops are in the direction of Shrewsbury as are schools for the local children and the medical practice is in Pontesbury. None of this makes association with Chirbury and Worthen useful or relevant; Pulverbatch is and always has been Shrewsbury facing.

The only times I have routinely travelled to Bishops Castle were to visit relatives in the, now illegally closed, Community Hospital and there is no public transport in that direction.
