Dear Sirs

I object to the parish of Nash being moved from Clee division into Cleobury Mortimer division for local council representation on Shropshire Council.

The communities of Clee Hill, Nash and Burford have strong geographic, cultural, recreational and economic links and it is vitally important that our areas share common representation at local government level to maintain community identity and effective local government.

Clearly the proposal has been made remotely by people with no local knowledge or understanding whose time would be better spent serving the needs of the people of the county.

Regards
