**Related subject:** Burnell Ward

I do not agree with the proposal to move representation from Burnell to Bishops Castle.

I live in Pulverbatch which is predominantly a rural area and which is oriented towards Shrewsbury, with local schools, buses, shops, Church and work etc.

Bishops Castle is away over a hill and although the road is good, it does occasionally suffer in the winter from ice & snow. It is hard to see how a Councillor in Bishops Castle could devote the time and energy to covering our Parish.

IF any change should be necessary, I believe that Pulverbatch should moved to Longden Ward. Longden is the adjoining Parish and many residents pass through Longden by bus and car regularly for day to day shopping, school and work.
