Dear Sir's

My family would like to object to the parish of Nash being moved from Clee division into Cleobury Mortimer division for local council representation on Shropshire Council.

The communities of Clee Hill and Burford have strong geographic, cultural, recreational and economic links and it is vitally important that our areas share common representation at local government level to maintain community identity and effective local government.

We need some one who knows Nash and Burford area to represent our local needs

Regards
