[REDACTED]

Organisation Name: Durham County Council - Wingate Ward (District or county councillor)

Comment text:

Dear Sir,

With the regard to the Trimdon and Wingate Ward proposal.

I would like to refer you to the different plus & minus variations in your recommendations for the 98 wards.

I would now like to refer you to my original proposal to include Station Town and Hutton Henry in with the current Ward Wingate.
With the variation been considered for the above proposal to high.

I would like you to consider a single one councillor Ward for Wingate and Station Town, the information in the report identified that Wingate and Station Town are joined together, I feel the variation in the above recommendation would be acceptable.

In anticipation thank you for reading and considering the above recommendation.

If you are unable to change your recommendation for the Wingate Ward, I do therefore support the new name of the Trimdon & Wingate Ward.
