**Name:** [REDACTED]  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Baildon/Shipley

Bradford Council does not have the interests of residents of my constituency at heart and never has. Bradford Council is incompetent and corrupt. A change in ward boundaries within the existing council area does not address our concerns. The only way forward for our area is for my area to no longer be part of Bradford Council but instead to be part of a new council covering Shipley and Keighley.
