**Related subject:** I live in West Bowling.

Some electoral areas do not match the area, for example I live in the heart of West Bowling, yet I am in the Little Horton Ward. I am nowhere near Little Horton. I have attached the maps with my suggestions for the areas that I know. Bowling and Barkerend should also be re-named to just Bowling. Barkerend should come under 'Barkerend and Bradford Moor' as they are next to each other.
