Related subject: Keighley West

I live on Goose Cote Lane which is facing the boundary between The Worth Valley and Keighley West. It doesn't feel like I live in Keighley in fact our major cause for concern is the field opposite which is within the Worth Valley and has been the subject of several oppositions to planning permission. I would like to be included in the Worth Valley, not Keighley West, I dont feel part of either community. Our concerns are not the same as those of Bracken Bank, I want to be part of the village of Oakworth
