

# Bradford

## Personal Details:

**Name:** [REDACTED]  
**Email:** [REDACTED]  
**Postcode:** [REDACTED]  
**Organisation Name:** (Member of the public)

## Comment text:

**Related subject:** Proposed changes to Bradford District Council - wards and boundaries (specifically Shipley constituency).

Bradford Council's continued use of 'green belt land' for housing makes a mockery of the term; the council rides roughshod over public opinion and concerns. Alongside this, the council's budget and financial management predominantly favours the city centre, with scant regard towards the outlying wards.

I would be in favour of forming a new local authority, made up of the existing Shipley and Keighley parliamentary constituencies, and I would like the opportunity to vote on this matter, along with a timetable for implementation, at the next general election.
