Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: (Member of the public)

## Comment text:

**Related subject:** Clayton & Fairweather Green

The current ward structure is made by convenience and not community. - The two communities Fairweather Green (8A, 8B, 8C) cannot access Clayton (8D, 8E, 8F and 8G) without travelling via Thornton & Allerton or Great Horton ward.

A ward made up from 8A, 8B, 8C and 23A, 23B and 23F from Thornton & Allerton would seem to make a more contiguous community.

A ward made up from 8D, 8E, 8F, 8G and 23C, 23D and 23E would make a similarly contiguous community.

Clayton Parish Council (8D, 8E, 8F and 8G) are the correct size and a is discreet urban village.
