

# Bradford

## Personal Details:

Name: [REDACTED]  
Email: [REDACTED]  
Postcode: [REDACTED]  
Organisation Name: [REDACTED] (Representative of a local organisation)

## Comment text:

**Related subject:** Little Horton

Hard to give a view as the map does not show what the proposed new boundary will be. We are a charity set up to regenerate Little Horton so we have a lot of knowledge and identity linked to the ward.

We were also instrumental to establishing the Urban Community Council, although they are an independent body. Little Horton has a strong local identity and vibrant social capital, even though it is very economically deprived.
