I live in Styvechale Grange within Wainbody ward. This is definitely the best fit for us. Like the rest of Wainbody ward our local primary school feeds the secondary in wainbody, Finham park, and therefore our children when they reach secondary age go to that school. Our infrastructure is also the same as the rest of wainbody. We do not have a local shopping area, unlike cheylesmore and earlsdon, and if we ended up with them the priorities of our councillors would not be the same. Within Wainbody the issues we experience in Styvechale Grange are similar to the rest of Wainbody. In other wards we would be marginalised as they have completely different needs and issues given they are much more a mixed housing/commercial areas whereas we are much more residential.
