Hi

I'm writing to show my concerns over the Durham Proposals For Consett North.

Having lived in the area all my life, I have seen changes ranging from Consett Urban Council, Derwentside Council and Durham County Council. The new proposals concern me, as I firmly believe that Consett town centre is the hub of the area and needs its own councillor to give it a dedicated focus, without the proposed neighbouring areas.

Consett needs a dedicated Councillor to help give the town its best hope for survival and success. Any decisions made in Consett will have a major knock on effect to its neighbouring boundaries. However, a decision in a neighbouring boundary would have little effect in the town centre. A flourishing town centre will deliver success to all neighbouring boundaries, not just the ones mentioned in the Consett North Proposal.

Regards,
